Vision

Caring communities where every person can thrive in a safe and affordable place they call home.

Mission

We create homes for people in need of affordable housing. We develop housing that is economically and environmentally sustainable and includes supportive services.

Values

Housing is a Human Right

We believe that adequate, safe and secure housing is a fundamental human right. We are committed to providing quality, affordable housing that is thoughtfully designed and is responsive to the needs of tenants, recognizing that stable and secure housing improves quality of life.

Equity, Integrity and Respect

We respect and value the diversity of people in our community. We adhere to high ethical and professional standards in our work and relationships. We are fair and respectful in our interactions and treat everyone with respect and dignity.

Accountability and Sustainability

We are accountable for our actions. We accept responsibility for our performance and share the results of our work in an open and transparent manner. We balance fiscal prudence with asset preservation, environmental sustainability and social responsibility.

Collaboration and Community

Through collaboration and partnerships, we work with others to achieve common goals, build communities and create places to call “home”. We provide support services to our tenants to develop communities where each person is valued and has a sense of belonging.

Creativity and Innovation

We are open to change and we continuously seek new approaches to enhance the development and operation of affordable housing.

How is MennoHomes governed?

MennoHomes is operated by an active volunteer Board of Directors. The Board is responsible for ensuring that MennoHomes’ values, vision, and mission form the guiding principles for all decision-making and actions undertaken for MennoHomes. The Board has developed, and maintains, detailed governance policies to ensure the long-term viability of MennoHomes.
